OF THE LETTER "E"

Some one has advanced the opinion that the letter "e" is the most unfortunate character in the English alphabet, because it is always out of cash, forever in debt, never out of danger,

But we call attention to the fact that "e" is never in war and always in peace; it is the beginning of existence, the commencement of ease, and the end of trouble; without it there would be no heat, no life and no

The regular monthly session of the Yuma City Council was held last night and Moser; public property, Hightower and Downey; revenue, Dunne and Moser; public utilities, Moser and Hightower.

The matter of public printing was ranch, which is away off postponed one week and no bids were pened.

A resolution was introduced providing that all officers' and employees' positions in force at the time that the Yuma city charter went into effect be declared vacant, with the exception of city engineer, city health officer and the chief of the fire department. This resolution will be icted upon next Tuesday.

The city recorder was authorized book and the assessment lists for 1915. On motion of Councilman John Dunne the sum of \$700 was taken 'rom the general fund and placed in he salary fund. Several routine denands were allowed from the general and salary funds.
